Literacy Co-Teaching with Multi-level Texts in an Inclusive ...

studies textbook seemed inappropriate as primary reading material. Use of multi-level texts would allow students to build content and vocabulary knowledge from reading independently and in small-group guided reading. Access to easy and complex texts would provide students with a chance to build skills and stamina (Allington, 2011).

National Professional Qualification (NPQ): Leading Literacy ...

4. Collaborative activity that involves pair and group discussion can increase outcomes when it is carefully planned, well-designed and structured, and guided by teachers.
5. Teachers should be effectively supported to assess pupils' individual language needs and to identify appropriate interventions.
- 6.
