Achim learns that the boy, Arnim, is the long-dead son of Achim's new parents. When he died in a car accident at the age of four, Arnim was supposed to have become a bird and flown free to the land of the dead, which can be seen through the window of The Adopted Room. But the Nameless One has somehow locked Arnim inside, so he cannot leave. Achim, however, finds he can turn into a bird, slip through the window, and fly across the strange land. And thus begins a journey in which Achim must fight the Nameless One and free Arnim so he can finally leave his parents and they can let go of their grief. Eva's Cousin Sibylle Knauss  
2007-12-18 Berchtesgaden, Germany, is a beautiful place, set among the gentle meadow-clad hills rising to the sheer heights of bare Alpine peaks. It is here where an elderly woman arrives and recollects her past—and her peripheral role in a chapter of world history. She walks

along a beaten path, which has come into being because so many tourists have ventured this way . . . to see something that exists only in her memory. In the summer of 1944, twenty-year-old Marlene is thrilled when her older, more glamorous cousin, Eva Braun, Adolph Hitler's mistress, invites her to come to the Fuhrer's Bavarian mountain retreat. Against her father's wishes, Marlene accepts, and immediately sets forth to Berghof. There, while Hitler is away desperately trying to turn the tides of war, Marlene finds herself in a strange paradise, a world of opulence and imminent danger, of freedom and surveillance. The two women sneak off and skinny-dip in a nearby-lake, watch films in the Fuhrer's private cinema, and flirt with the SS officers at the dinner table—one of whom will become Marlene's first lover. Initially delighted by Eva's attentions, Marlene later tries to understand the elusive connection between her cousin and the man she loves. In quiet defiance, she begins to commit her own acts of subversion, which include listening to BBC radio broadcasts, forbidden by the Fuhrer. But a clandestine mission of mercy will force her to question her allegiance to both her cousin and her country—and to face the chilling reality that exists outside her sheltered world. Based on the true experiences of Eva Braun's cousin, Gertrude Weisker, who has shared her memories with Sibylle Knauss after more than fifty years of silence, Eva's Cousin is a novel that illuminates the banality of the domestic face of evil. It casts a special light on the profound questions of innocence and complicity that still haunt much of the world today.

Inspired partly by its author's own experience of his final school-leaving examination, which he passed only at the second attempt, and partly by the suicides of no less than ten school students in a single week in the winter of 1929, Young Gerber is a timeless tale of classroom angst, and an undisputed classic of Austrian literature.

*The Firefly Dance* Sarah Addison Allen 2011-08-15 Bright lights flicker in the dark evenings of summer. Pinpoints of hope float against the black descent of night. The sweetest of small and innocent creatures finds its way through the shadows. Fireflies seem to dance on sheer air, illuminating the space between heartbeats. Children give off a similar brave glow, despite the challenges of their young lives. The lessons of childhood are often painful, the shedding of fragile wings in the gloam of an uncertain future. These rich novellas are small

jewels reflecting the essence of what it means to grow up dancing among the shadows of life, carrying a brave, small beacon because you know that even the brightest days always, always, end in darkness. Childhood can be so sweetly sad and sadly sweet, profound and deceptively easy to categorize, yet poignant to remember. New York Times bestselling novelist Sarah Addison Allen (GARDEN SPELLS, SUGAR QUEEN, THE PEACH KEEPER) anchors THE FIREFLY DANCE with her wistful and funny novella about Louise, a North Carolina girl whose keen observations of the lives around her weaves an unforgettable spell with just a hint of everyday magic. Phyllis Schieber's Sonya, a child of Holocaust survivors, is confronted with the responsibilities of her legacy when she has a poignant encounter with a classmate, another child of survivors, and her mother, in a local shop in their 1970's New York neighborhood. Kathryn Magendie's Petey deals wryly with her family's move from the cool blue mountains of North Carolina to the hot flatlands of Texas. Augusta Trobaugh's stoic Georgia boy leads us through his surreal encounter with a mysterious backwoods toddler who turns out to be anything but ordinary.

When Josef Weber, an elderly man in Sage's grief support group, begins stopping by the bakery, they strike up an unlikely friendship. Despite their differences, they see in each other the hidden scars that others can't. Everything changes on the day that Josef confesses a long-buried and shameful secret and asks Sage for an extraordinary favor. If she says yes, she faces not only moral repercussions, but potentially legal ones as well. With the integrity of the closest friend she's ever had clouded, Sage begins to question the

They are both seventeen and in their last year of school, but while Anna lives in a nice old town house and comes from a well-to-do family, Abel, the school drug dealer, lives in a grim tower block at the edge of town. Anna naturally keeps her distance from Abel. But when she discovers that he is the only one caring for his six-year-old sister, her fear turns to fascination. **All for Nothing** Walter Kempowski  
2018-02-13 A wealthy family tries-- and fails--to seal themselves off from the chaos of post-World War II life surrounding them in this stunning novel by one of Germany's most important post-war writers. In East Prussia, January 1945, the German forces are in retreat and the Red Army is approaching. The von Globig family's manor house, the Georgenhof, is falling into disrepair. Auntie runs the estate as best she can since Eberhard von Globig, a special officer in the German army, went to war, leaving behind his beautiful but vague wife, Katharina, and her bookish twelve-year-old son, Peter. As the road fills with Germans fleeing the occupied territories, the Georgenhof begins to receive strange visitors--a Nazi violinist, a dissident painter, a Baltic baron, even a Jewish refugee. Yet in the main, life continues as banal, wondrous, and complicit as ever for the family, until their caution, their hedged bets, and their denial are answered by the wholly expected events they haven't allowed themselves to imagine. All for Nothing, published in 2006, was the last novel by Walter Kempowski, one of postwar Germany's most acclaimed and popular writers.
